Mike on behalf of GSA it was a pleasure to meet you and we will follow up on the topics discussed.

I am also interested in your contact with the International Border Water Commission. As I mentioned we have a fair amount of interaction with IBWC, Particularly in Nogales and it's always helpful to know who to talk with.

Happy Holidays
Dan

Tom & Dan,

It was a pleasure to meet you both yesterday. I really appreciate your agreeing to look into the elevator situation here at R9 headquarters, the relocation of our lab and the situation in our field office in Hawaii. I hope you and yours have a happy holiday season. And I again want to thank you for the professionalism and responsiveness you and your staff at Region 9 of GSA have consistently provided to Region 9 of the EPA. Please always feel free to contact me anytime I can be of assistance.

Best regards,

Mike Stoker
